Important Notes

- House accounts continue to be available and are encouraged as a convenient way to enjoy your golf and V's Taproom experience. Accounts using ACH technology (linked to a checking account) are complimentary. If you would prefer to use a credit card for your account, a \$4 monthly fee will apply. As was implemented previously, Passes and Flex Passes purchased with a credit card will be charged a 3% administrative fee.
- Non-residents of the Trilogy or Vistancia communities will pay a 15% premium on all Premium Passes or Flex Passes.
- A one-time proration will be extended for new package purchases only.
- Tee times are available to members via phone (623-328-5103), in person or online. As a matter of protocol, the Golf Shop team is educated to first service the guest at the Golf Shop counter, and then alternate between guests at the counter with incoming phone calls.

* Space-available in relation to tee times refers to the fact that, although pass-holders have a booking window of fourteen days, reservations are also being made by other Trilogy members as well as groups, tournaments and special activities.

** Holidays are: New Year's Day, Martin Luther King Day, President's Day, Easter Monday, Columbus Day, Veteran's Day, Thanksgiving Day, Friday after Thanksgiving.

*** Space-available in relation to the Practice Facility refers to the fact that there may be times when groups, instructional programs, or extremely busy tee sheets could mean that practice time will not be available. We anticipate this being a rare occurrence.

Tee Time Cancellation Policy

- “ To be fair to you and your fellow members, we have found it necessary to address and revise our Tee Time Cancellation Policy due to an increase in the number of no-show bookings or last-minute cancellation notifications. The revisions are designed to provide more flexibility in the cancellation timeframe and open tee times previously left vacant by no-show bookings.

- “ In the past, Trilogy Golf Club at Vistancia maintained a 48-hour cancellation policy. In an effort to provide greater flexibility, we have elected to change our policy to require a 24-hour cancellation notice.

- “ If a cancellation notice is provided less than 24 hours prior to the tee time, a no-show fee of \$25.00 plus tax for the number of players booked will be billed to the member who reserved the tee time.
 - To clarify, should the booking be made for a single player, that player will be charged \$25.00 plus tax if they fail to cancel the tee time 24 hours prior or are a no show for the tee time.

 - Should the booking be made for a twosome or more, the member who reserved the tee time will be charged \$25.00 plus tax for each player who fails to show for the tee time.

If a member has excessively (defined as three times in an eight-week period) cancelled their tee time at or near the 24-hour timeframe, the member will be charged four no show fees for any future cancellations in a similar timeframe.

The no show or late cancellation fees will be waived in cases of inclement weather conditions to include rain, electrical storms, winds in excess of 20 mph, or temperatures below 45°.
